

Dear Parents and Carers,

Year 11 Mock Exams – Information for Parents

As part of our continued support for Year 11 students in preparation for their GCSEs, we will be holding mock exams during the upcoming exam window. These mock exams are a vital opportunity for students to experience exam conditions, identify areas for improvement, and build confidence ahead of the summer exams.

Key Information:

- **Mock Exam Dates:** Wednesday 19th November – Friday 28th November 2025
- **Locations:** Sports Hall & Progress Rooms – Students will be expected to line up before exams in the atrium with their equipment, prepared for the exam.
- **Equipment List:** Black Pens, Pencils, Ruler and Calculator in a clear pencil case. A clear water bottle is also allowed; however, any labels must be removed.
- **Timetable:** The full timetable is attached below, with every day having two exams. Morning exams will run from 9:00am, and afternoon exams will run from 1:20pm.
- **Preparation:** Students should be revising regularly and making use of the resources provided by their teachers. We encourage parents to support their child's revision at home.
- **Results:** Results will be shared with students and parents on the 15th December 2025. Subjects will not be communicating results until this date with students except those where terminal exams are taking place in January 2026.

Why Mock Exams Matter:

- They help students understand the format and expectations of GCSE exams.

- They provide teachers with valuable insight into student progress.
- They allow us to tailor support and interventions in the lead-up to final exams.

If you have any questions or concerns, please don't hesitate to contact us. Thank you for your continued support in helping your child achieve their best.

Kind regards,

Dr Dan Horton,

Assistant Headteacher – Curriculum
